

Home Page Image (behind the California's Original Hot Tub text) needs to be updated since those units are only half full. Updated image: <https://res.cloudinary.com/american-bath-group/image/upload/v1782933307/abg-graphics/original-images/maax-spas/california-cooperage/calcoop-cr1-cr2-cr3-deco.png>

We say California's Original Hot Tub a lot on the home page. Change up some of the text. References below:

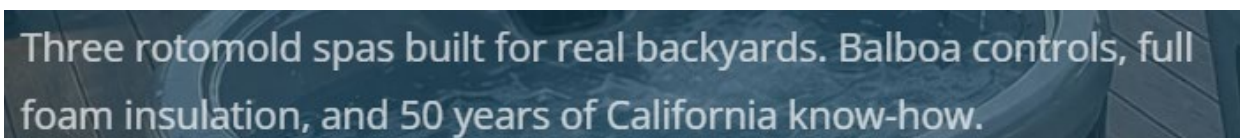

Change this text to *OLD-SCHOOL COOL. NEW-SCHOOL EASY.*

Keep the est 1972, but change the America's Original Hot Tub Brand to SIMPLE PLEASURES DONE RIGHT

Change text to: CALIFORNIA'S ORIGINAL HOT TUB – NOW EASIER THAN EVER
Accessible makes it sound like it's handicap accessible.

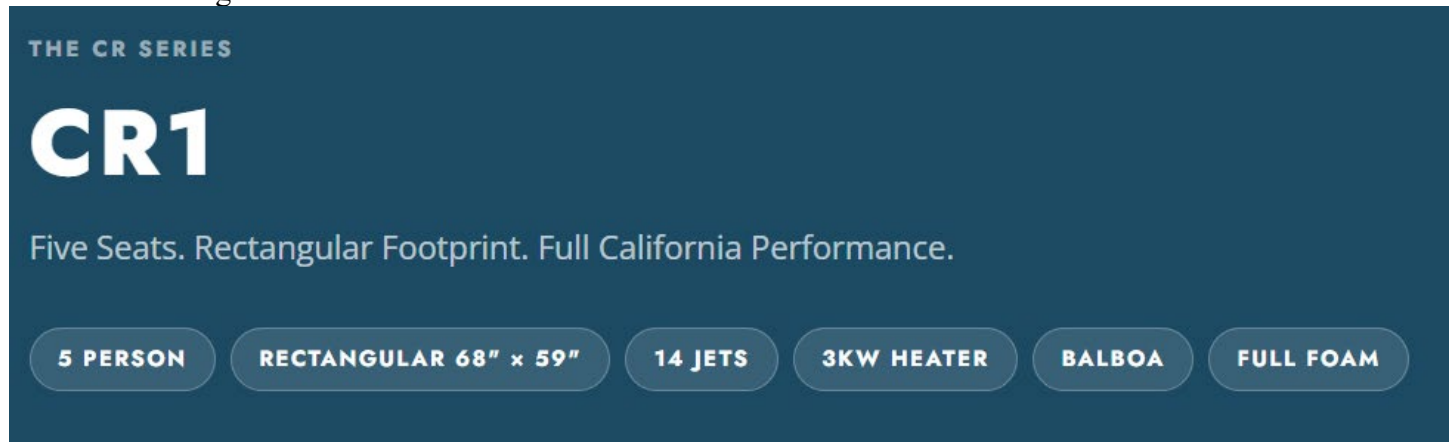

This brand doesn't want to focus on the technical jargon first thing. We want to play on the fact that it is easy.
Change text to: Hot tubs that fit your life. Just plug in and chill out.

CR3

Six in the round. No bad seat in the house.

The phrase is: Not a bad seat in the house.
Update text.
